

TRAILHEADS SUPERSTITION WILDERNESS

Not uncommonly one of the more challenging parts of a backcountry trip is attempting to find the trailhead itself. To assist you in reaching the jumping-off place, we have developed the following directions to the trailhead named below

Roger Trough TH - 4WD vehicles required. Not recommended for horse-trailers. From Florence Junction, drive east on U.S. Highway 60 approximately 2 miles to the Queen Valley road turn-off. Turn left and follow this paved road for approximately 2 miles to where the Hewitt Station Road 357 branches off to the right (and turns to gravel). Follow this road for 3 miles to the JF Road 172 turn-off, turn left and follow this road 8 miles to the junction with the Roger Trough Road 172A. (Note: These roads are sometimes washed out; drive with care!). Bear right and follow this very rough road approximately 3 miles to the trailhead. Trails Accessed: Reavis Valley Trail 109, West Pinto Trail 212, and Roger's Canyon Trail 110.

Be sure to secure your vehicle, and don't leave valuables in sight while you gone. Also be sure someone knows where you are going.
